

WOLF FIELDS PRIMARY SCHOOL

CHRISTOPHER BURLOW

OPEN TESTIMONIAL

Chris Burlow has been working in this school since September 1st 2008. As the school's P.E. coach he covers planning, preparation and assessment time throughout the school from Nursery to Year Six.

During his time with us Chris has had a wide range of experience working with children of different ages and abilities. He has worked within the policies of the school and has followed the PE scheme of work together with detailed lesson plans to ensure very good coverage of the curriculum. He has dealt with difficult behaviours in children effectively, including those children with sensitive temperaments. He has extended and challenged children appropriately. In this way he has risen to every challenge in an admirable way. This experience has included the completing of children's annual reports. He is very industrious and shows a willingness to succeed by arriving well before school starts and stays after school to run sports clubs twice a week. He is enthusiastic and motivates children to succeed and this he does by ensuring the school enters inter - school and inter - borough competitions. He has been grateful for advice given to him by other members of staff and has taken such advice into consideration when preparing his lessons including ensuring the safeguard of all children in his care. He has taken a full part in school activities during the year, many of which have been out of school hours.

Chris is a pleasant and hard working member of staff and would be an asset to any school. I recommend him to you without hesitation.

Yours faithfully
